All doors shown in Stone Gray. When painted finish is specified, the center panel may be constructed of Medium Density Fiberboard (MDF).  
MDF provides a smoother finish when painted, and is more resistant to warping, expansion, and contraction.

### Aristokraft® has a 5-Year Limited Warranty.

Styles, product availability, and construction may vary slightly from those shown in this book due to material availability and/or design evolution. Specifications are subject to change without notice. Our customer service team is available if your design requires verification of product availability and specifications.

Product photography and illustrations have been reproduced as accurately as printing technologies permit.

To ensure highest satisfaction, we strongly recommend you view an actual sample for best color, wood grain, and finish representation.
