

PAINT & STAIN BROCHURE

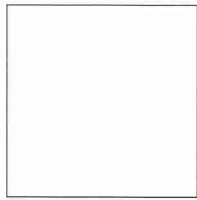

NOTHING BEATS A QUALITY FINISH.

Our process begins with a dust-free, rigorously inspected unfinished door followed by multi-coat paint or stain applications, baked on at every step. The result is a finish as durable as it is beautiful.

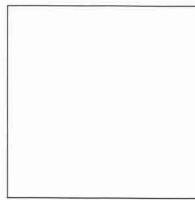

SAVE TIME. LET MMI DOOR DO THE WORK.

Finishing a door in the field can squander valuable time and energy. Let MMI DOOR do the heavy lifting. Simply choose the paint color or stain and we'll take care of the rest.

Smooth painted finish may vary slightly between manufacturers.

Actual colors may vary from samples shown due to printing process and/or differing monitor calibrations.

FIBERGLASS DOORS from MMI DOOR are virtually maintenance-free when prefinished with our proprietary hand staining process and will not warp, rot, dent or split.

RICH WOODGRAINS. The four woodgrain series each provide the rich appearance of wood with the strength and stability of fiberglass. Like wood, each door is stained by hand, presenting a truly distinctive appearance.

IN-STOCK. Prefinished doors delivered in an estimated 3 weeks.
