Moisture Resistant

PureStyle cabinetry is built to resist moisture. Individually wrapped doors and drawer fronts help prevent warping, cracking, and joint separation—making it ideal for kitchens, bathrooms, and other humid spaces.

Cleaning Made Simple

Whether it's sticky fingers, a splashy chef, or crafty friends—PureStyle cabinetry wipes clean with just a damp cloth and a mild dish soap solution. Finish with a soft dry cloth, and you're done.

Long-Lasting Finishes

PureStyle cabinet finishes are designed to be durable and long-lasting, resisting scratches, fading, and water spots. Without wood grain variability, the finish color remains consistent across cabinets, showing minimal wear over time for less visible aging.

Ensured Performance

Like all Aristokraft® products, PureStyle's build and finish undergoes rigorous performance testing. With durable construction, easy to care for care surfaces, and on-trend designs, PureStyle offers fashionable cabinetry—without the fuss.
